Dear Colleague

Invitation to Individual Associate Membership of the Civil Mediation Council

As you may know, the Civil Mediation Council, under the Chair of Sir Brian Neill, was formed in 2003.

The CMC's Board, now chaired by Sir Alan Ward, is comprised of elected members from all areas of the mediation community and operates under a constitution.

Membership is open to individuals and to mediation providers. Applications are invited by completing the one page application form below. Details of membership fees are also given below.

Purpose – Article 3 of the Constitution
The Purpose of the Council is to represent the common interests of Mediation Providers and Mediators in promoting mediation; to do so through the performance of the Council's objects; and, generally, by improving the understanding of the uses and applications of mediation.

Mission Statement
To inspire all sectors of society to use mediation when managing and resolving disputes.

How the CMC has met its objectives and purposes from 2003 to 2012
Please see the website www.civilmediation.org.

There are now some 350 individuals and 90 organisations of all descriptions in membership. The CMC will continue to grow and believes that with the support of an active and committed membership, from a diverse background in the mediation community, this can only be beneficial.

Membership fees
If you are interested in joining the Civil Mediation Council, the annual membership is £75 for individuals. **Membership renewal is in January every year. If your membership form is received in the last 3 months of the year then the £75 payment will include membership for the following year.** Please complete the attached form and return it to:
