

Election Address – ADR Group

ADR Group is one of the largest and most recognisable mediation providers in the UK. With a national network of nearly 50 accredited mediators (covering both civil & commercial and workplace mediation) and industry leading training, we are justifiably again being recognised amongst the leaders in the field.

As the longest established provider in the UK and as a founding member of the CMC, ADR Group has for many years been at the forefront of mediation development, standards and best practice. We are passionate and committed to the promotion of mediation and raising awareness of its many benefits.

We strongly believe that by being voted to the board, ADR Group will be able to help drive the CMC forward, bringing new energy and ideas to the promotion of mediation whilst listening to and supporting you as a member of the CMC.
